“ Hello! I am Enzo's aunt Dorothy Picou, step daughter of Kari Chambers. Losing Enzo was a terrible night. I couldn't sleep, eat, or do anything besides worry and cry. And then we got the report that he stopped breathing. My heart sank, my dad rushed out the door and my grandma came to get me and took me to her house. At night I can still remember that same night. And I can tell you where his main picture was taken at. Just outside of his mom and dad's house, sitting in his carseat.
