“ We are so sorry for your loss, Mike and family. So much respect for Bill! As a long time treasurer he was one of my husband's first bosses at Perryville Country Club. Ed would make a request to the board to purchase equipment or materials and Bill would say "We can't afford it" and that was end of discussion. :) Ed would go to Bill's house to pick up his check and be confronted by a dog that did not like him. Bill would just slide his check under the door to avoid the potential ugly confrontation. Bill had a ball marker that had a picture of that dog on it, and when Ed was on Bill's team and Bill used that marker, Ed couldn't make a putt. We are so sad to miss Bill's funeral because of a family trip. We'll miss you, Bill! Rest in peace!

“ Bill was a wonderful man and great competitor on the golf course. Having a beer with Bill after the Wednesday tournament was a history lesson about his experience in Europe at the end of WWII. Bill's work history, civic involvement and parental care for Mike have earned him a place in the heavenly foursome. Bill was an example to all of us to live life to its fullest each day. I will miss you, Bill.
