“ Eric was a big part of our family. We loved Eric. He always called us Mom and Dad. He was so supportive when I lost my daughter. He called Mendy his sister. Yes he loved have a bonfire at the lake. And the night him and Thory hung from the trees in the dark acting like Tarzan. We laughed to no end. Then they sat at another fire and seen witches in the fire. We had endless laughs and serious conversation. He was so proud to have found a wife the for his SON. Wow was he proud!! Eric RIP my dear friend. This has made my heart so sad. I know you're in a better place now. Tell Mendy you're sister hi and grandma which I know you will. We love you forever. See ya again
