“ *Gail was my hygienist at Dr. Gotsis. We were always talking about horses, of course, and all the crazy issues with them, and of course how much it cost to have them, but also about life, relationships, and just being positive. I was so sad to learn why she had left but kept hoping for that miracle. She was entirely too young and I know her spirit of life will be missed by many. Saddle up Gail...let's ride!*

“ *I am saddened by the passing of Gail. I worked with her for many yrs at Dr. Traub's office. I remember her love for horses and her pictures she showed us of all of her horses. She was such a sweet person and will be missed.*

“ Gail was a dear friend who will be sorely missed. Her smile and laughter were contagious and Heaven will be all the brighter because of her. We'll always remember all the good times we had together and cherish our memories of our horseback rides with Gail. Enjoy the trails in Heaven, dear friend. All our love and deepest sympathies go out to her family and loved ones.

“ So sorry to hear of the loss of Gail. I was a grade school classmate of hers at St. Catherine's. I remember going over to her house and playing with her and Kathleen Johnson. Last time I saw Gail was at Cindy (Farroll's) funeral a few years back and it was really great to see her there. I remember her always having a beautiful smile!

“ Gail's family lived across the street from my family on bluff drive. I remember Gail being someone with a beautiful spirit, who loved her horses. I hope my little sister Kathleen Johnson was there to greet her and ride off into the heavens on their stick horses. Rest sweet Gail!

“ I am shocked and stunned to hear this sad news. I used to work with Gail at Dr. Traub's office from 2001 until she went to hygiene school. I admired all her hard work while going to school and working full-time. A hard worker and a funny girl. I am so, so sad about this. My heart goes out to her family and Joe. Prayers for all.
