“ *My aunt Gladys was one of the most influential people that have ever been in my life. This sweet woman prayed faithfully for me every day of my life and I can sure tell the difference that she has passed. I as many have been blessed by her steadfast love for Jesus Christ. Her prayers have shielded me from much and kept me safe so that I too could know the saving love of my savior Jesus Christ. I will miss her laugh and her true love and concern for others. She will always be my hero and I miss her already so much.*
