“ *I worked with Gloria at Southeast Hospital. She was an angel. The most thoughtful, kind person I have known. She was lovely, a great gardener and friend. I have thought of her often since she retired and we talked on occasion. I will miss her. I look forward to seeing her in my own transition of shedding this aging body, releasing my soul, to an everlasting life with our creator. My heart is with family in their loss of Gloria.*

“ *Gloria was so sweet. I loved her like a sister. We sat next to each other for years in the church choir. She and Ralph opened their home and hearts to me when I taught in Farrar. May God grant you, her family, the peace and comfort only He can give. All my love, Marsha Korte*

“ I’m so sorry to hear of Gloria’s passing. I worked many years with Gloria at Southeast. She was a wonderful lady , I was always amazed by ability to transport patients to us in her elder years . She could do circles around others with her work ethic which is no surprise. I know she will be missed. My prayers and thoughts are with the family.
