“ *So sad this was my father. Lisa knew he had 4 other children. And never mentioned us. Nor never notified me of his passing. I Found out 2 months later.*

“ *Let me tell you what I know about Big Ronnie. I was his oldest of 4 children, we were not mentioned in the obituary he abandoned us when I was nine years old. We never seen nor heard from him again.*

He had 7 grandchildren and 2

Great grandchildren.

He lived a secret life. May God have mercy on his soul.

“ Mrs. V - when I think of Ron I'll always remember the Hawaiian luau
we attended on an EF tour. It was still daytime and there was live
music- and a dance floor- and you and he danced. I remember the
way you looked. I remember that moment making an impression on
me as it occurred- I felt moved by the love I could see and feel
behind that dance.

*I also remember your story about the weed eater when Ron first got
sick. I'm not sure if you remember it- but it's another memory I have
that I view as a moment of love between you- real life love.*

*I'm very sorry to hear that he has passed. Sending you, and Gloria,
lots of love and wishes for peace.*

“ *Lisa, I am so sorry for you loss. I was there on that hot Sunday afternoon when you and Ron tied the knot at the church we grew up in. I remember how happy you looked and how years later you told me how your daughter was the center of you and Ron's universe. I understand completely. I always say my family is a 3 legged stool, if one of us gets knocked, the other two will have a hard time standing. You and Gloria will continue to be in my prayers. Nancy Ray Brown*
