“ *I took care of Harlan at heartland.. He loved seeing me come in and he always made my day so much better! I was pregnant with my youngest working there about 7 yrs ago and one day we was doing lunch and I had sat down with him he looked at me and asked me to marry him... He told me he would take care of my baby and raise it like it was his own. I of course had to turn his marriage proposal down but he meant what he said. He had a heart of pure gold! I haven't gotten to see him in the past two years and his death breaks my heart I wanna send the family my sympathy and love! Harlan will most definitely be missed!!*

“ Harlan was a special person. We had so many laughs together. I used to hang out with Harlan during my teen years. One night we pulled in Lisa and Lori’s driveway down by Wittenberg. We got out by the concrete bridge. We were laughing so hard about something and all of the sudden Harlan drops his flashlight in the creek! Next thing I know I am laying on my back in the water trying to get his flashlight! I fell off the bridge backwards and landed on the flashlight! Luckily there was 3 feet of water. Here I was floating down the creek! Harlan never laughed so hard as that night and he said, “Got Diggity Stretch are you okay?!!!” I said yep and I got the flashlight! We laughed so hard we had tears in our eyes! So many times we laughed together. So many great times! Rest In Peace my friend. 🕊 —Stretch
