“ Harlee, this is Mr. Kern, your RT instructor. It was an absolute pleasure of getting to know you! Your presence lit up the room, your smile was contagious and your wittiness will never be forgotten. You told me, to never lose faith, for faith will get us through anything. You will forever be missed. Look over us all, for we will forever have another angel looking over us. We (Cape RT Class 2014-2016) love you!

“ Harlee always lit up a room as soon as she walked into it. She was so full of life. She could always put a smile on your face no matter what kind of day you were having. I didn't know Harlee very long but from what time I did spend with her, there was always laughter. She will be deeply missed by many as she has left a handprint on so many hearts.
