“ *Just learned of your Dad's passing, Amy. Please accept our deepest sympathies to you, Greg, Paige and Eli. I always enjoyed visiting with your Dad when he would come to my office when he worked for the City. And when we would go to the old farm to shoe Soupy. He will be missed by many.*

“ How we enjoyed talking with Harold over the years! What a sweet man! Know you will miss him, but he knew where he was going. He'll be there to give us each a tour of heaven when we each arrive. In the meantime, may we each follow Harold's example of friendliness and kindness!

“ Mr. Schubert was my husband and I's first neighbor when we moved out on our own for the first time. He was the first neighbor to come over and welcome us to the neighborhood. He was so kind and always knew how to put a smile on your face. Every morning when I would leave for work I would look forward to his big wave and smile as he road his bike or dribbled his basketball. We were truly blessed to have had the opportunity to know him. He will be missed by so many! May you find comfort and peace in all the memories you cherished with him! Our deepest condolences!
