“ *We will always remember Aunt Hazel very dearly. She had a special, contagious laugh. I will always remember the Uno games we played at her house and the excitement in her voice when she had "UNO". She always had homemade delicious treats during game nights. You were loved and will always be in our hearts. Love, James Brewer and daughter Jennifer*

“ *I got to visit Aunt Hazel just three years ago. From the looks of her pictures and sound of her stories, what a mighty fine hunter she was, and a great woman she will always be. She holds a special place in my heart.*

“ *Hazel was a dear friend and neighbor to our mother, Iona. She made the best cookies and desserts and loved sharing her recipes. We have many fond memories of her. Our sympathy to her nieces and nephews who cared so lovingly for her.*
