“ *I will always remember our trips to the family reunion in Missouri and getting to spend Friday night at Bill's fish house restaurant meeting up with Uncle Herb, Ardene and all of the family eating fish, drinking cold beer, (and in some instances Tabasco sauce) and listening to stories. We could laugh until the next year just retelling what all had gone on. Going out to visit Herb and Dorsey will also always be a memory. I wish I had gotten to see him again, He will truly be missed but will visit one time again.*
