“ *I shared a cubicle with Louie the first six months after I began my career with Arthur Andersen. He broke me in and made me laugh 'til my sides hurt. He was an extremely competent tax professional, very hard working and driven to deliver the best level of client service. His sense of humor was contagious. 46 years later he still stands out as one of my favorites among all the individuals with whom I worked. God bless him and all his loved ones.*

“ Our family is heartbroken with the news of Louie's passing. He was a gem. Always happy and friendly -- a warm soul for sure. Plus he was generous -- he always brought rolls of quarters to Justin's hockey games so Tony could stay entertained at the rink arcade machines. What a hoot. We will miss him.

“ *Louie was always professional and competent in his accounting services to me. But I also found him warm, welcoming, kind, and thoughtful of circumstances I had in my life; especially he was concerned for my special needs son. I will miss his smile and warm welcome now that he is gone. I wish all the best to his family; may the Lord grant to you His kindness and mercy.* ”

*Sailor you departed this world way too early. You were a dear friend who help me and my family face difficult times with the confidence all would be well. Your warm smile and greeting of " How are you kind sir" would lite up a room. In the Navy the Bosun's Whistle -- was sounded when and important PERSON came aboard. I know it was sounded for you when you arrived in Heaven. Your job is done here but you will not be forgotten. Tom Rollins Semper Fi. My Friend.*
