“ *I met Jackie taking care of her when she was at Independence Square on B road in Perryville. My daughter Cheryl Bonnette-Miller also worked there before me and same time as myself. I loved you from the first time I got the pleasure of meeting you there. Loved to spoil you rotten! But you were a real excuse the French hell raiser when you wanted to be but the love for you never ended. Dealing with family always makes you feel like family. Dolly my heart goes out to you and all your family. Love to you all Angela Bonnette-Kline*
