“ *Family of Jim Bohnert,
Jim hired me at IGA when I needed work in 1986-87. He tried to promote me & teach me new skills, but his partner wanted me gone. That was good for me so that I had new experiences at corn detasseling, Vo-Teck, Short Stop and Solar Press.

“ Worked for Jim at IGA back in the 80's. He taught me a lot about businesses and was always willing to socialize with me and the other employees over a beverage after work. He was great company.
