“ Sunday August 9, 2015 From mutual good friend, Brian Topping, in Columbia MO; I heard with sadness about the passing of "Jamie Duncan". Many times Jamie hosted numerous luncheon gatherings at his place for the working men who would pop in for some conviviality during the Noon break. This would have been his upstairs apartment on North Ann Street in Columbia, Missouri. Active in the Columbia Food Coop and in the Paquin Street Cafe back in the day (1970s-1980s) when such activities were in the forefront of the "real food movement" that is commonplace today. So, James Porter Duncan, get your business taken care of "on the other side" so you can reincarnate back here toute de suite for the exciting times ahead! Sincerely, Bruce M. Forrester Jr Dayton, Ohio 45430 .

“ Jamie was with us at Webster College in the 70's. His gentle nature and easy smile will be remembered -- and missed -- by all who knew him.
