“ Hey Pop,  
We are three weeks into 2023, and miss you everyday. There was ice on the river at Christmas, as well as snow. You would have loved it. Brian got about 1,000 pictures for you. Where ever you are, I hope you are with Tiger and Mike, having a good laugh over a fishing pole.  
Love you always,

“ Jim served in the Navy, I served in the Air Force around the same time. We met when he was hired at Cape County Private Ambulance service. We ran many calls together, he was solid in his skills.  
I'll never forget those nights when his sleep apnea kept us all on edge.  
A transfer to St. Louis during an ice storm, of course it was urgent, We we never so happy to arrive safely.  
We were together on a call the night Desert Storm launched, we looked at each other, shook our heads in unison and decided we were to old to reenlist.  
Jim, Bill and Paula Jones were just some of the great Perryville people I had the pleasure to work with.  
He served his country, his family, the public he cared for.  
Rest In Peace old friend.

“ Charlotte my condolences. I was so shocked to see that he passed. We graduated together. My memory of Jim was when Mom (Leola Funke) had her heart attack and had to call ambulance to get her to hospital. It was comforting to have Jim be one of the paramedics. They were prompt and courteous and fortunately Mom recovered. I thank him for his service. My thoughts are with your family. Jane Funke
