“ *Janitor Jim was such a kind person. He always talked to me to see how I was doing and had a friendly smile while I attended High School. His nickname for me was blondie, when I graduated in 2008 he gave me a little blonde graduation doll. I always wondered what happened to him. Deepest sympathy to his family! The world definitely needs more “Janitor Jims” !!!*

“ Whenever I taught at PHS, Jim was the custodian. We had many chats about life and the state of the world. Since I was a journalism teacher, I had copies of the local papers in my room, he tended to like to stop and read a bit.

Jim knew the name of every kid in that school, and they knew him too. He was one of the most delightful people I have ever worked with. He will be greatly missed.

The world needs more people like Jim.

“ *Janitor Jim was a wonderful man and a good friend of mine while I was at PHS. He was a constant shining light and I could always count on him to share jokes, laugh, and smile each and every day during lunch! He was a follower of Christ and one who always put you in a better mood. I regretably lost touch with him since high school but I hope he realized how much his friendliness and positivity meant to me! This world will miss him but I know he’s in heaven with his Creator! RIP Janitor Jim*

“ I graduated in 1993, and there’s never a time since high school that I didn’t bump into Janitor Jim that he didn’t call me by my name. He was always in such a good mood, and a bright spot at school. He’s one of the few people I know that seemed so genuinely happy at his job. He was kind to us all, and he made an impact. We won’t ever forget Janitor Jim.

“ *What a story teller he was! He laughed as he told his stories and made all who were surrounding him laugh at them as well. He loved his sports, including the Lady Pirate Basketball teams that made their first few state appearances. Oh how he showed his Pirate Pride at games and in the halls of PHS! He knew everyone and would greet you every hall passing. Rest in Peace.*

I remember Jim, John and Mary Ann when they lived in Pocahontas with their Grandmother Scott. Jim was always a gentle kind boy in church and school. From other comments, it seems he grew into a kind gentle man and made many friends. What a legacy he leaves! Rest in Jesus Jim.
