Jeanette and family, please accept my deepest sympathy. Jim, and you Jeanette were almost life long friends and I've loved you both all those years. Jim's life and mine took very similar paths. After graduating St Vincent High School, we both entered the service, were discharged, got married, raised our families, puttered around briefly with various jobs and both settled into long carrers at the Post Office in our favorite place in the world, Perryville. We often confided and leaned on each other for support. We both enjoyed a wonderful life and would not change a thing. He was a good man and will be sadly missed.
