“ I remember the first time I met u. I thought you are absolutely gorgeous your personality is beautiful and you have always been kind and loving to me. I'm so very proud to be your daughter in law. You gave me hope and strength when I couldn't find it in myself after we lost Darin. I'm so glad you get to be up there with him and Meredith. You are truly at rest now... You will be missed dearly by all of us who love you.

“ Lord have mercy...God certainly called you home,way to soon...but,we are one of the lucky ones who had the pleasure of knowing you,you always put a smile in our faces.. we looked forward to coming to your house to visit,it was always a a 32oz coke with little over half ice for Janet,😊..we also appreciated all the times you would bake us apple pies...they say it's the small things in life that matter most ..and how that is true ..I will miss sitting on the slider bench and having the conversations we had... we always appreciated your friendship...you will be missed greatly! forever. and NEVER will be forgotten...much love and respect always!...
