“ I remember Jeannie as always having a huge smile and a big heart. She was always so upbeat and had such a positive attitude. She always made me laugh and smile. I am so sorry to hear she passed so young.

We went to high school together and I was happy to see she married a grade school friend of mine from St Maurus. My heart goes out to Larry and their family. May the good memories outweigh the sorrow you feel at this time.

You are all in my thoughts and prayers. Heaven has another beautiful spirit looking down on all of you as you go through this sad period of mourning your loved one.
