“ *One of the absolute sweetest souls I have ever had the honor of taking care of. She had a way that made the longest and most stressful shifts so much brighter and more bearable. Rest easy with the angels and stay "as honery as ever."*

“ So very sorry for your loss. I am one of Aunt Janet’s daughters and have great memories of your mom from when I was very young and on from there. When I was about 5 years old,, I spent a night or two with your mom and dad. There was a runt piglet that that had to be fed a bottle as the mom didn’t want him. That was amazing to me because it was the first baby animal I had ever been around. She sang so beautifully and my husband and I were blessed when she was able to come up to NE to sing at our wedding! That was over 26 years ago but even though I didn’t see her since then, I thought about her and your family many times throughout those years. God’s blessings on all of you and may your memories of her keep you close to her!!
