“ *My sincere condolences to Amy and Wayne and all their family and friends that loved Jesse. I only knew Jesse from a distance as an SV fan, but it was very obvious what an awesome role model he was for our younger students. You have so much to be proud of and my prayers are that you will find you some comfort in knowing what a positive impact he had on others, even from a distance. Prayers that your faith and family will get you through this most difficult time.*
