“ Our hearts ache even though we know Heaven got a new Angel. What a wonderful woman Jo Ann was!!!  
A bus driver before her times, letting us listen to all kinds of music, from country, old rock, to heavy metal. She would tell us stories and make us laugh on the bus, and personally call us up if school was cancelled because of weather.  
A neighbor that always had an open door, the fuller the house, and the happier she was. She loved feeding us with her delicious homemade food, especially chicken/dumplings and providing us with so much fun and entertainment.  
A true friend- always willing to give a hug, she took care of myself and siblings when my mom was going through cancer and when she died. She truly opened her heart and home.  
More people should strive to be like Jo Ann, it didn't matter your gender, your race, your political view, Jo Ann would treat everyone the same. The world would be a much better place if we all became a little more like Jo Ann.  
OUR Lane Family-Know that you are in our thoughts, prayers and that your mom's memories shall be with us a lifetime. We were so Blessed to have her in our lives and are so grateful for those wonderful, wonderful memories. May God grant you Peace and Much Love!

All our Love,  
Tammy, Maryann and the Brazeau Leimbach Family

“ Doyle, So sorry to hear of Jo Ann's passing. I still remember you two hanging out together on Emmanuel Leible's bus. Since I have been away from Perry County most of the time since PHS graduation, I didn't know that she had taken over driving the bus.

“ I have many fond memories of Jo Ann and Doyle hosting Wanda's friends with hay rides and sleep overs. We had so much fun at their home and Jo Ann (and Doyle) always seemed happy and willing to put up with a bunch of loud teenagers! To Wanda and the whole family, I'm so sorry for your loss. “ We remember Jo Ann as a school bus driver. Usually, Jo Ann had a smile on her face. We admired the calmness she had as a school bus driver.

“ *My deepest condolences to all of the Lane family. I've worked with Allen for 13 years at the CTC and have heard so many stories great stories over the years about Jo Ann. She & Doyle raised a hard working, intelligent & talented son and I'm sure the same rings true with the rest of the Lane family.
