“ To all of the Behrle family, My love, thoughts and prayers are with you during this time... Your mom was a lady who just simply made the world a better place, always there for anyone with a smile (or often a special unique comment)! She touched the hearts of many throughout her lifetime by appreciating the goodness in others. Without a doubt, her heart just simply made you feel loved!!! Although you will miss her tremendously, may your hearts feel peace knowing that she is now seeing the face of God... and hearing the words, "Well done, my good and faithful servant!" So sorry that I am unable to join you on Saturday for the funeral mass, but my prayers will be there with you! Blessings of peace...

“ Deepest Sympathy to the Behrle Family. She is still as lovely, as the very first time I saw her when I was a little girl. I thought she looked like an angel. It was always fun time when she and your dad would come into the store. Keep all the memories of her and your dad close to your heart. Faye and Zeno
