“ *Joan was one of the most amazing people I have ever known. She welcomed into her family from day 1 over 12 years ago. Ever since that moment she has treated me as another daughter and not just her son's girlfriend or daughter-in-law. I know that she was very proud of the husband and father Justin has become and thank her for her part in that day. I look forward to sharing stories and pictures of maw maw with Camden and I know she is now his guardian angel. We love you Joan and we will miss you every day.*
