“ *Girls, I was so sorry to hear of your dad's passing. Had I known earlier I certainly would have come to the funeral home to pay my respects and to get a hug. Jack was so proud of you girls, and rightfully so. I did not see him often, but when I did he always had a kind word and a smile on his face. Your parents were such a loving couple and I know they are happy beyond words to be united again. Know that my prayers are with you all.*
