“ *Deepest sympathies to you all in the loss of your father, grandfather, family member and our friend, Jay Lottes. He was an engaging and sweet man with a wry sense of humor. Deeply committed to our community, his faith and his passion for history, he gave willingly of himself in so many ways. He will be greatly missed as he joins Peg with our Lord. Peace*

“ *My sincere condolences to each of you. Your dad was a fine gentleman and someone I truly enjoyed having as a friend. Jay always had a good word to say and never said a bad word about anyone. He was always positive and optimistic. I am glad I got to know him and had the ultimate respect for him. I am sorry I will be out of town during the visitation and funeral times so I will not be able to attend his services. My deepest sympathy and prayers will be with you.*
