“ *Dear Joe and Michael, Uncle John was so proud of you and the farm that you had together. He came to St. Louis once or twice and we went to lunch. I know that you were closer to him than I was and I am so sorry. I have thought of you many times over the years. It would be nice if we could see each other again. If you would ever like to call me my telephone number is 314-562-7880 With much love.*

“ *Uncle John was the person who got me interested in flying. He was the first person to take me up in a single-engine plane. He started me my first flight log. I would go on to get my Private Pilot's License through St. Louis University. If any of my cousins would like to contact me my telephone number is 314-562-7880.*
