“ *Where do I start?*

So many awesome memories with Uncle Jack. The one thing that makes them all so great is uncle Jack himself. What an awesome character and personality. Always the life of the party. He will be missed dearly.

.....Love you Uncle Jack

“ *Please accept my sympathy on Jack's passing. My memories of him go back to high school, as Jack was a classmate of mine. I remember Jack as a kind, quiet and gentle, person. May God bless you during this trying time.*

I also remember Jack from high school. We were good friends. We walked when school was out to town about everyday. May he rest in peace. Don Pecaut
