“ *I prayerfully beg almighty God to graciously comfort and console all who mourn Julie's death even as we celebrate her eternal-life victory through baptismal faith in Jesus Christ, who is Lord and Savior of all, having defeated death with His crucifixion death and gained our justification with His resurrection from the dead. Because Jesus lives, Julie and all who like her embrace Jesus with Spirit-given faith will live also. Alleluia! Christ is risen! He is risen indeed! Alleluia! Pastor Handrick*

“ *Most off my childhood memories have Julie in them. From when I took care of her, got her bottle crawled up in the baby bed with her. To when we played house and barbies and baby dolls. To how mean Jimmy and I were to her and ripped her baby doll in half. I will miss her calling to talk while she is driving. Oh how I love her.*
