“ *Dear Jan and Family*
Our deepest sympathy at this time of tremendous sadness. I always knew when spring was here because Kenny would be at my door ready to refresh my landscaping. He always had a smile and some new pictures of his granddaughter. He was a very proud grandpa and when he talked of Kenlee he just beamed. Kenny was a friend to all who had the pleasure of knowing him. He will surely be missed by many.

“ Prayers to the family and friends of Kenny,i was lucky enough to cross this mans path 7 yrs ago and was befriended immediately. Kenny was the easiest person to communicate with, he asked if i wanted to help him and his crew do some mulching and i said sure. the best person i ever worked with, Kenny made life a pleasure. i was humbled to be invited to his going away party, and i bet the landscaping in heaven is better than ever.I will always be grateful for knowing Kenny,committed to his work his customers and most of all his friends.Larry Wiegand Red Bud il

“ My condolences to all of Ken’s family and close associates!!!

I have known Ken for 10 +/- years via a referral from a close friend who strongly recommended I try to engage Ken. It was the best move I could have done for the activities for which I needed quality and conscientious help. Ken was not only a “go-to” for all my outside work, but he was a true delight and of the utmost integrity and effort!!

Ken was simply a wonderful person / a “diamond in the ruff” – friendly, conscientious, hardworking, thorough, honest, and simply fun to be around!!

My prayers to his family and close associates. Heaven is Blessed!!
