“ I remember when I met this fellar and when his gf at the time was a nervous wreck having him over at her home for the first time. He was such a polite young man. It really floors me he left this earth too soon. I'm so sorry for your loss Lisa. I cannot imagine your pain right now. Sending so much love your way and many prayers. God be with your family and his family also.

There is no one that ever walked onto that platform that brought as much energy and love as Minister Kent. I don't care what I was going through, when he started jumping so was I. I truly look forward to seeing you again my Brother

I am so very sorry to hear this. My sincere condolences go to his family and friends. Although I did not know him, I do know the Schumer family and my heart hurts for them and Kent's family. He must have been an amazing young man. This is a terrible loss for our entire community. God Bless us all.
