“ *What can I say about my brother? We pretty much fought constantly as kids. We were so different, in so many ways. As we grew older, I feel like I needed him in my life even more. It was only later in his life, when he turned his life over to God, that we started to really connect. I wish I had more time to show him just how much I loved him as my older brother, and cherished our life together, even though we fought constantly. I miss him so so much!!! I'm not sure he would know how much he meant to me. THANKS for being my big brother!! I love you Rusty!!!! See you in GLORY brother!!!!!!!*
