“ *Kirk and I have know each other for a very long time. I am still in shock of his passing, as well as everyone else, especially his family. He has done a ridiculous amount of work for me over the years and has always done a good job and was especially loyal when it came to somebody being without air condition or heat. I could always depend on him unconditionally! He will be missed! RIP... my Freind*

Kirk was a kind soul and friend. He was always willing to help when we had a problem with the heating or air conditioning. He will be missed. May the Lord bless his family with comfort and peace. 🙏
