“ Lance, you are already missed by so many. I can't remember the first day we met, but you have become such a key part of my heart over all these years. New found glory will never be the same, but I will go to concerts, I will rock in your memory, and I promise I will always Tip my glass to you!
To lances family, my heart hurts for you...thank you for raising someone with such an amazing heart and truly loving spirit.
