“ *Laura was the most amazing roommate and friend anyone could have asked for. I will never forget our homemade pizza and wine nights sitting and watching movies or our random adventures exploring Columbia. Jane, I am so sorry for your family’s loss. Your daughter touched many hearts and she will never be forgotten. Trust in the Lord and he will help you through this hard time but don’t be afraid to lean on friends as well. We love you and will miss Laura dearly. Jourdain, Elsie, and Theo Sanders*

“ I first met Laura at a CASE institute held at the University of Missouri of Columbia. She had just graduated and would begin teaching that fall. We were partners on several of the lab activities. Laura ended up getting the teaching position at Albany, Missouri. We worked together on several projects and she would call often to ask question. She was a bright spark in the darkness of life. She let her little light shine on all she met. I am so sorry for your loss. Laura will be sorely missed.

“ Neislein Family:  
Laura was such a friendly person, especially to old people like me. She was always willing to play her trumpet for our brass choir on Christmas Day and for the Male Choir song "Lord let at last thine angels come." Now she is with the angels in heaven with our Lord Jesus, her Savior. May God's Spirit comfort all of you at her early departure.
