“ Prayers for the Schumer family, the Lord comfort you and give you peace.

I recall so many good memories spent on my Uncle Leon's farm, fun times with his family and ours gathered for hours on end. On these occasions, Uncle Leon would always make everyone his specialty - homemade ice cream with his hand crank ice cream maker. So good! He spent a lot of time and energy cranking those cylinders let me tell you, it was a labor of love. I remember on one particular evening there wasn't enough ice cream to go around to everyone, not everyone got served. What was Uncle Leon's answer to this dilemma? Well of course, it was to make another batch of ice cream and there he was 10 minutes later back on that crank. That right there was the heart and kindness of my Uncle Leon, because no one was leaving his farm that evening without having been served a dish of his homemade ice cream.

In the book of Hebrews we read this, "But we see JESUS, who was made a little lower than the angels for the suffering of death, crowned with Glory and Honour; that He by the grace of God should taste death for every man. For it became him, for whom are all things, IN BRINGING MANY SONS UNTO GLORY."

Praise God, I will see my Uncle Leon again with Jesus in Glory for eternity.
