“ *Bonnie and Curtis, My love, thoughts and prayers are with you. Your mother and my mom were friends since their early childhood days in Belgique. Your mom had a real heart for God and a real gift for bringing joy in this world! May it bring your hearts comfort knowing that she is now seeing the face of God! I am so sorry that I will be unable to be there to con-celebrate her funeral mass. I know my mom would want me to be there but I will be leaving for Washington DC on Tuesday evening for the National March for Life. I will be there with you in spirit. I will have a mass offered for your mom at St. Joseph's in Farmington. My mom loved your mom!!! Blessings of peace...*
