“ *My name is Terry Koenig. , I was stunned beyond belief to learn of Linda's passing I was not aware that she had taken ill I still can't believe it she was like a second mother to me she was one of the finest ladies I have ever known married to one of the finest men I have ever known and after all she has been through in the past few years I guess if there is good to come from this it is that her and Larry and Barbara and Dale are reunited as is God's promise and I guess that kind of eases the pain to some degree but I will still miss her he will always be in my heart condolences to the family*
