“ *Mr. Layton and Shane, I am so sorry for your loss. Mrs. Layton was such a great teacher and person. I have so many memories of her from over the years of being in her English classes. I fondly remember our diagram races, her love of Alf, and her excitement to teach. I always smile when I remember her.*

“ *Stan, sorry for your loss. Mrs Layton was always great teacher and loved all of her students like we were her own. Y'all followed me even after High school and came to several of my SEMO games, which showed her love and support beyond the classroom. May you find peace knowing she is free and watching over your family daily.
God Bless-*
