“ Linda was a lovely person. She and I graduated from Marshall HS together. I really enjoyed catching up with her at our last two HS reunions. I also enjoyed her posts on Facebook. One of the things that I always admired about Linda is that she never one to get involved in the girl drama and was always kind. I imagine that she was a much sought after teacher! I know that she will be missed!! pray that precious memories of her and the knowledge of her faith will comfort the family at this difficult time.

“ Im so very sorry to hear about Lindas passing. She was my best friend in grade school. When we played school and she was always the teacher. We lost touch when we moved but I will always have wonderful memories of our time together. She was such a beautiful person inside and out. May Jesus wrap his arms around Lindas family and friends to give them comfort during this time.

“ I am very saddened to hear about Linda's passing. I worked with Linda on the Missouri State Teachers Association (MSTA) board and truly treasured her friendship. She was a very sweet lady, hard worker, and she brought a wealth of knowledge to the table. My prayers are with the family, and may God Bless You all during this time of great loss.

“ RIP Linda.....we were neighbor kids, I was like 2nd grade maybe and remember playing "school" in her parents basement, had a lovely huge back yard, she never aged at all thru the years. And was so happy when she was enjoying her retirement, take care girls, your Mom was lovely.

“ We are so sorry to hear the news that Linda has passed. Georgia served on the Missouri Retired Teachers Association Board with Linda, and she was such a wonderful addition to the board in her short time of service. She seemed to have such a zest for life. Our prayers are for her family and friends in this difficult time.
