“ *Katie, Sissy, my sister, my best friend, not a day goes by that I don't think of you. After watching our favorite show I think about calling you to discuss our opinions on it, or just driving down the road, I think I'll call Katie, then I remember, I can't and I just start praising the Lord that you are with Him...can't wait to join you in our eternal home.*

“ *Mama, no words can express what you mean to me. You gave me life and showed me thru actions and thru encouragement how to be a good Mama too. I look at my sweet babies and I know that you will always live on thru them. You are my rock, my counselor, and my best friend. I love you so very much and I know you are resting peacefully and in the arms of the Lord. Always in my heart.*

“Katie, I am so glad Heavenly Father made us sisters here on earth, and throughout eternity. I am grateful for all the times we shared our thoughts and feelings on the phone (so grateful for the telephone). Thank you for sharing the love of family history with me, so we were able to gather our family history. I will miss your sweet face and your genuine love for our family. Say hello to all our family who are with you at this time, I love you and look forward to the time we will all be together. You will always be in my heart. Love ya sis...

“Katie, my sister, my best friend, what a good time we had growing up connected at the hip and cohorts in mischief. I remember the fun times riding horses in the Garden of the Gods and running all over Colorado Springs, those were the best years of our lives. Now you have graduated to your final reward in heaven. I so look forward to joining you so we can spend eternity worshipping Jesus. I love you and will always hold you in my heart. Until we meet again. Sissy Gail
