“ My heartfelt condolences go to your family during this difficult time. I have been so sad since I read about this yesterday. I knew Lindsay since she was a young girl and she was always a wonderful person. God has gained an absolute beautiful angel and I hope she can look over her family during this difficult time. Many hugs go out to her children who will greatly miss her. Judilynn wibbenmeyer sanzzone.

“ *There are no words that can or will help. I pray for comfort for all of you. A mother and father should go before a child. I wake up with Mendy on my mind and go to sleep with her on my mind. It's not the same kind of death but I'm sure it hurts the same. God bless you all.*
