I could always tell when Lisa came by in the summer. I had fresh veggies on my porch

“ Kat and family I'm so very sorry for your loss. I cannot imagine losing a parent. A memory came to mind when we were little. The time our mothers went to eat together at Parket when we were in Kindergarten. One of them

got stranded and one rescued the other. I cannot remember which way that went. Your mom was very sweet. God be with you all. Peace be with you all. I hope God provides peace that surpasses all understanding. Sending love.

“ So sorry to hear of Lisa’s passing. We spent many years side by side on the Village Board. She was a dear friend. She would tell you straight out how it was but was also incredibly kind. She worked hard for what she had but would take the shirt off her back if you needed it. She didn’t know a stranger and could put anyone at ease. The world sure lost a great woman. You were so loved and will be so missed.
