“ *My heart aches for you. I pray for comfort during this time of coping with Lori's passing. Her spirit from our memories of good times will forever live in our hearts. Mine were riding our bicycles with friends along the back roads of Altenburg and Wittenburg. Cruising on the back of Danny's truck until we decided which riverbank to go to for a keg party. Memories...will keep us together until we meet again at our party in heaven...no pain or heartaches. Rest in peace*
