“ *Dear Cousins:Your Mom's journey on earth has ended. My wish for you is that when the sorrow and grief has subsided and you think of her, those thoughts bring a smile to your face. Personally, I will miss the little chats we had when I was able to visit with her. Without fail she always brought up your Dad; always telling me that: "He was a good man"!Guess who's walking around Heaven right now with that good man on her arm!Condolences and so sorry for the loss; sending you my best wishes.*
