“ *I did not know Madge had passed.. she was married to my Uncle DD. I remember when I used to visit on the summer on the farm, she would take me into town shopping. I remember she was beautiful and would have her nails done and get up on that John Deere tractor and farm like a man. She looked over my Grandma when she got older and helped her. My brother always loved Madge as she treated him nice! My mom appreciated her sister in law and remembers Madge would go out in the field and plow all day like a man and worked so hard. Rest In Peace Madge. We love you!*
