“ I was also a member of the email group who is founded on friends, pets and Fellowship. Margaret and I shared personal television series i.e. "Downson Abbey", etc. and those that focused on faith and bravery. We really bonded over our mutual sense of humor, and that's why I smile every time her name is mentioned or I think of her. My regret is that an opportunity to meet in person never presented itself, but I do feel grateful for the several years of interaction that allowed me to really get to know her. I am very sorry to hear of Margaret's passing and send my deepest sympathies with her family and friends. May you find peace and comfort knowing that Margaret is with our Lord and Savior.

“ I am so sorry to hear of Margaret's passing and offer my sincere condolences to her family at this time of loss. Margaret was a dear and sweet lady and a wonderful friend. She and I met several years ago on an online Fellowship group. She was a delightful and fun part of that group. I so enjoyed sharing our faith together, praying together often for family and friends and even folks we didn't really know. We shared many good times even though we never had the opportunity to meet in person. One of the things we really enjoyed was taking imaginary vacations together along with 7 other friends from our Fellowship group. We would imagine and share our thoughts and imaginary good times together as we visited places on our "bucket list" even though we knew we would never ever be able to really travel there. We shared a lot of laughs as well as an occasional tear. Margaret was a cherished friend and I will always remember the times we shared. I feel very blessed to have known her. I have and will miss her. Sending you hugs, prayers and my sincere sympathy. May God grant you peace and comfort. Annette "Annie" Bromley
