“ *Dear Dan, David & Kevin  
Although our lives went in different directions it doesn't take away the fact that you are my cousins and your mother was my aunt. I remember all the times as kids running and playing at your home. You all played instruments and Dave told scary stories. What a wonderful family you were and still are. So sorry to hear your mom has passed God kept her around a long time you are lucky. My prayers and thoughts are with you.*
